LACK OF INDEPENDENCE

Why we are not independent, impartial, or unbiased in relation to the provision of personal advice and the impact of this on you.

We, Rope Access Insurance, are not independent, impartial, or unbiased pursuant to section 923A of the *Corporations Act* because:

- We may receive remuneration, commission, gifts or other benefits when we provide personal advice to you in relation to insurance products and other financial products;
- We may be subject to direct or indirect restrictions relating to the financial products in respect of which personal advice is provided; and/or
- We may have associations or relationships with issuers of insurance products and other financial products.

Further information about these benefits and relationships is set out in this Financial Services Guide.

If you have any questions about this information, please ask us.

Who is responsible for the financial services provided?	Metrix Connect is responsible for the financial services that we provide to you, or through you to your family members. Metrix Connect is also responsible for the content and distribution of this FSG. They have authorised our distribution of this FSG.
What kinds of financial services are you authorised to provide to me?	Rope Access Insurance is authorised to advise and deal in general insurance products to wholesale and retail clients under Metrix Connect's Australian Financial Service Licence. We will do this on your behalf as your broker unless we tell you otherwise.
How can I instruct you?	You can contact us to give us instructions by post, phone, or email using the contact details on page 1.
Will I receive tailored advice?	Maybe, but not in all cases. However, we may need information about your personal objectives, details of your current financial situation and any relevant information, so that we can arrange insurance policies for you or to give you advice about your insurance needs. We will ask you for the details that we need to know. In some cases we will not ask for any of this information. If we do not ask, or if you do not give us all of the information we ask for, any advice you receive may not be appropriate to your needs, objectives, and financial situation. We will advise you when we issue you with advice without considering your personal objectives, financial situation or needs. In these circumstances, you should consider the appropriateness of the advice before acting on it. We will provide you with further information whenever we provide you with personal advice, being advice which takes into account your objectives, financial situation and needs. This information may include the advice you have been provided, the basis of the advice and other information on our remuneration and any relevant associations or interests. We may provide this information to you within a Statement of Advice (SOA) or in another written format. You should read the warnings contained in any SOA, or any other warnings that we give you, carefully before making any decision about an insurance policy. Where we provide you with advice about your insurance arrangements, that advice is current at the time that we give it. We will review your insurance arrangements when you inform us about changes in your circumstances. When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies, we have not compared those policies to other policies available from the insurers other than the those we deal with regularly.
Product Disclosure Statement	If we offer to arrange the issue of an insurance policy for you, and you are a retail client, we will provide you with, or pass on to you, a Product Disclosure Statement (PDS), unless you already have an up-to-date PDS. The PDS will contain information about the policy, which will enable you to make an informed decision about purchasing that product.

Your Duty of Disclosure

It is important that you provide us with complete and accurate information about the risk to be insured otherwise the advice we give you may not be appropriate for your needs. We rely on you to provide complete and accurate information.

Before you enter into an insurance contract with an insurer, you have a duty under the Insurance Contracts Act 1984 (Cth) to disclose information to them (your duty) insurer. Your duty applies until the insurer agrees to either insure you or renew your insurance, and before you extend, vary or reinstate your insurance.

If you are applying for or renewing insurance that is a consumer insurance contract, which is an insurance policy obtained wholly or predominately in relation to personal, domestic or household insurance purposes (such as, your motor vehicle, home building and/or contents, residential strata, travel or personal accident or sickness), you must answer the specific questions asked by the insurer truthfully and accurately. In answering those questions, you must tell the insurer all information that's known to you and that a reasonable person would be expected to provide in answer to the questions. Not doing so may be considered by the insurer to be a breach of your 'duty to take reasonable care not to make a misrepresentation' and may cause issues in relation to the validity of your insurance policy and/or issues in the event of you lodging a claim.

At renewal, the insurer may either ask you to advise any changes to information you have previously disclosed or may give you a copy of the information you previously disclosed and ask you to advise them if there have been any changes. If you do not tell the insurer about a change, you will be taken to have told the insurer there is no change.

If you are applying for or renewing any other insurance, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, that may affect the insurer's decision to insure you and on what terms.

You do not need to tell the insurer anything:

- that reduces the risk it insures you for;
- is common knowledge;
- that the insurer knows or should know; or
- which the insurer waived you duty to tell it about.

Non-disclosure
If you fail to comply with your duty, the insurer may cancel your contract of insurance or reduce the amount it will pay if you make a claim, or both. If your failure to comply with your duty is fraudulent, the insurer may refuse to pay a claim and treat the contract of insurance as if it never existed.

If you are in doubt about whether a particular matter should be disclosed, please discuss it with our representative.

People you Represent
You must make sure you explain the Duty of Disclosure to any person you represent when we arrange any insurance cover for you. Alternatively, you may ask any person you represent to contact us, and we will explain their Duty of Disclosure to them directly.

How will I pay for the services provided?

Payment for the services you are provided are payable directly to Metrix Connect.

For each insurance product, the insurer will charge a premium that includes any relevant taxes, duties, fees, and levies. Metrix Connect often receive a payment based on a percentage of this premium (excluding relevant taxes, duties, fees, and levies) called commission, which is paid to them by the insurers. The amount of commission varies depending on the insurer, ranging between 0% and 30%.

In some cases, you will also be charged a fee. This fee may be in lieu of or in addition to the commission paid by the insurer.

The fee, along with the premium, will be shown on the invoice that is issued to you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay Metrix Connect within the time set out on the invoice.

We will receive up to 92% of the commission that Metrix Connect receive and any fee you are charged.

If there is a refund or reduction of your premium as a result of a cancellation or alteration to a policy or based on a term of your policy (such as a premium adjustment provision), we will retain any fee we have charged you. We will also retain commission depending on our arrangements with the insurer or charge you a cancellation fee equal to the reduction in commission.

When you pay your premium, it will be banked into a Metrix Connect trust account. Metrix Connect will retain the commission and fees from the premium you pay and remit the balance to the insurer in accordance with the arrangements they have with them. Metrix Connect will earn interest on the premium while it is in their trust account, or they may invest the premium and earn a return.

Premium Funding
If premium funding is arranged for you, Metrix Connect may be paid a commission by the premium funder. This is usually calculated as a percentage ranging between 0% and 4% of the funded premium (including government charges, levies and taxes). We may receive all or some of this commission from Metrix Connect.

We and/or Metrix Connect become entitled to this commission when you instruct us to arrange or issue a premium funding document. You can ask us what commission rates we are paid for a funding arrangement compared to other arrangements that were available to you

Non-Monetary Remuneration
During the course of our business, we may receive non-monetary remuneration from insurers, underwriters or other third parties. This may include, but is not limited to, access to technology platforms and IT support, education & training, event sponsorship and marketing assistance.

Employee Remuneration
Our employees are paid a market salary and may receive bonuses based on the overall performance of our business.

How are any commissions, fees or other benefits calculated for providing the financial services?

The commission Metrix Connect are paid is calculated based on the following formula:

$X = Y\% \times P$

In this formula:

X	=	Metrix Connect commission
Y%	=	the percentage commission paid by the insurer.
P	=	the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Neither we nor Metrix Connect often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we or they do, the referrer is paid out of the commission or fees that we receive (not in addition to those amounts), in the range of 0% to 50% of our commission or fees.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or to any insurer) will receive in relation to the policies that are the subject of the advice.

Our Advice to you	Information about the advice we will provide to you can be found within our FSG within this document.
Approaching the Market	In most cases, we will seek quotes from the broader general insurance market before making a recommendation. We will advise you if we have not done this at the time of providing you with our recommendations. We will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.
Continuity of Cover	In circumstances where we have taken reasonable steps to contact you prior to the expiry of your insurance, but we are unable to obtain your specific instructions, you authorise us renew your insurances with current insurer/s and/or replace your insurances with policies from an alternative insurer, whichever is most appropriate, to ensure you remain protected.
Cancellation	We can only cancel a contract of insurance on the written instructions of a person authorised to represent each of the parties who are named as insureds. We cannot cancel any contract of insurance which is subject to the Marine Insurance Act 1909. If a cover is cancelled prior to its expiry, we reserve the right to refund to you only the net amount we receive from the insurer and not refund any part of the brokerage and/or broker fee we received for arranging the cover.
Our Payment Terms	We will invoice you for the premium, statutory charges (GST, stamp duty, fire services levy) and any fees we charge for arranging your insurances. Your invoice will state the amount you need to pay and the date on which they are payable. Our usual payment terms are 14 days from the date shown on the invoice. If you do not pay the premium on time, the insurer may have the right to cancel the policy. The insurer may also charge a short-term penalty premium for the time on risk.
How we will communicate with you	Wherever possible, we will exchange information with you using email. This includes the provision of disclosure documents (including Financial Services Guides and Product Disclosure Statements), which will be sent via email or as links to our websites. Where you have provided us with an email address, we will use that email address for all correspondence and disclosure notices. If you do not wish to correspond with us via email or do not wish to receive disclosure documents from us in this way, please advise us and we will update our records accordingly. Occasionally, we may send you information about services or products that may be of interest to you. If you do not wish to receive this information, you can opt out by notifying us.
Period of Engagement	Unless we agree otherwise, our appointment will commence from the time you first engage our services and continue until such time as either we or you cancel this arrangement.

Important Information about your Insurances

Duty of Good Faith	Both parties to an insurance contract, the insurer and the insured, must act towards each other with the utmost good faith. If you fail to do so, the insurer may be able to cancel your insurance. If the insurer fails to do so, you may be able to sue the insurer.
Essential Reading of Policy Wording	The policy wordings for your insurances have either been provided to you or will be sent to you as soon as they are received from your Insurers. We recommend that you read these documents carefully as soon as possible and advise us in writing of any aspects which are not clear to you or if any aspect of the cover does not meet with your requirements.
Reviewing your Sum Insured and Limits	Reviewing the sums insured and declared values in your policies on a regular basis and at each renewal will help you to ensure that you have maximum protection under your policies. Consider whether you require cover for replacement on a 'new for old' basis and other costs such as removal of debris. The value of the property/assets insured may need to be updated if you change locations, renovate, or expand your premises, or purchase new property/assets. If you do not check these values and advise us of changes you require, you could be underinsured as the insurer may apply an Average or Co-insurance clause.
Average or Co-Insurance	Some policies contain an Average clause. This means that if you insure for less than the full value of the property, your claim may be reduced in proportion to the amount of the under-insurance. These clauses are also called "Co-Insurance" clauses. A simple example is as follows: Full (Replacement) Value $1,000,000 Sum Insured $ 500,000 Therefore, you would be self-insured for 50% of the Full Value. Amount of Claim $ 100,000 Amount payable after Co-Insurance $ 50,000 (50%) Some Business Interruption policies contain an Average/Co-Insurance clause, but the calculation is different. Generally, the Rate of Gross Profit, Revenue or Rentals (as applicable) is applied to the Annual Turnover, Revenue or Rentals (as applicable) after adjustment for business trends or other circumstances. If you are in any doubt about whether and how Average/Co-Insurance clauses apply to your insurances, please contact your us for assistance.
Contracts and Leases You Sign	If you sign a contract with an indemnity, "hold harmless" or release, it can invalidate your insurance – unless you obtain the Insurer's consent in advance. This is because some policies contain a 'contractual liability exclusions' that mean the Insurer can refuse to pay or reduce the amount it is liable to pay by the extent to which it is unable to recover from the third party. These exclusions are often found in public and products liability, broadform liability and professional indemnity policies. These clauses are often found in leases and other contracts you sign from time to time relating to your business. Do not sign a contract or lease without contacting us and/or taking legal advice as to whether the contract terms will prejudice your policy.

Contractual Liability and your insurance cover	Many commercial or business contracts contain clauses dealing with your liability (including indemnities or hold harmless clauses). Such clauses may entitle your insurers to reduce cover, or in some cases, refuse to indemnify you at all. You should seek legal advice before signing and accepting contracts. You should inform us of any clauses of this nature before you enter into them.
Leasing, Hiring and Borrowing Property	When you lease, hire, or borrow property, make sure that the contract clearly identifies who is responsible for insuring the property. Industrial Special Risks policies automatically cover property which you are responsible to insure, subject to the policy excess. Public liability insurance may assist you meet claims relating to property damage to property which you lease or hire. A sub-limit usually applies to the amount you can claim for damage to property in your care, custody, or control.
Additional Insureds and Noting Interests	If a person is to be named on your policy or insured as a co-insured or joint insured, notify us immediately so we can request this in advance from the insurer. Your property and liability policies will not provide automatic cover for the insurable interest of other parties (e.g., mortgagees, lessors). Check with us whether the insurer will include someone else as an insured or note their interests before you agree to this in a contract or lease. We cannot guarantee that an insurer will agree to include someone as an insured under your policy or to note their interests on your policy.
Claims Occurring Prior to Commencement	Most of your policies do not provide indemnity in respect of events that occurred before the insurance commenced. They cover events that occur during the policy period.
Claims Made During the Period of Insurance	Some policies (e.g. professional indemnity insurance) provide cover on a “claims made” basis. This means that claims first advised to you (or made against you) and reported to your insurer during the policy period are insured under that policy, irrespective of when the incident causing the claim occurred. (unless there is a date beyond which the policy does not cover – this is called a “retroactive date”). If you become aware of circumstances which could give rise to a claim, notify the insurer during the policy period. Report all incidents that may give rise to a claim against you to the insurers immediately after they come to your attention and before the policy expires.
Insurer Solvency	We do not warrant or guarantee the current or ongoing solvency or financial viability of the insurer because we have no control over the insurer's performance, and this can be affected by many complex commercial and economic factors.
Unauthorised Foreign Insurers	In limited cases, we may recommend that you insure with an unauthorised foreign insurer. An unauthorised foreign insurer is an insurer that is not authorised under the Insurance Act 1973 (Act) to conduct insurance business in Australia and is not subject to the system of financial supervision of general insurers in Australia that is monitored by the Australian Prudential Regulation Authority. If the insurer becomes insolvent, you will not be protected by the Federal Government’s Financial Claims Scheme provided under Part VC of that Act.
